

A Song of Promise - Psalm 132

1. David's promise to God (verses 1-10)
2. God's promise to David (verses 11-18)
3. Standing on the promises - 2 Corinthians 1:20

1. David desired and pursued God as the center of His life and the nation of Israel. How do you desire and pursue God as the center of your life?
2. What might be preventing you from saying yes to God as the center of your life?

Standing on His promises means saying yes to God. We know, claim, and believe His promises. In Psalm 132:15-18, God promises to: bless us, satisfy us, save us, bring joy, give us strength (horn), be our direction (lamp), and give us victory (crown).

3. Do you say yes to knowing, claiming, and believing each of these promises? If you do, God says yes to you. (Read 2 Corinthians 1:20)
4. Read 2 Peter 1:3-4 - What is God's word saying to you in these verses?
5. How has standing on the promises of God helped you with everything you need in life?
