

## Small Group Study: Discovering Your S.H.A.P.E.

**Personality:** The special way God has wired you to navigate life and fulfill your unique Kingdom purpose.

### Memory Verse: 1 Thessalonians 5:11

*“Therefore encourage one another and build each other up, just as in fact you are doing.”*

### ***Special Bible Reading Meditation: Hebrews 10:24-25***

(Read the word everyday this week)

1. What does **1 Thessalonians 5:11** and **Hebrews 10:24-25** encourage us to do?  
*We are called to encourage one another. The body needs every part and we must continue meeting together and encouraging each other. We must become one another's accountability partners.*
2. We are all created for relationships yet not all of us are alike. What kind of people has God prepared you to be in relationship with?  
*Let people share. This may be difficult. It also may reveal how God is still at work in molding our personalities.*
3. How do your personality traits help you relate to others? How might they hinder?  
*Let people share.*  
  
*For me, because I am calm and able to be silent I can listen and encourage others by just being available and praying with them that God cares and provides.*
4. How do you respond when given opportunities to minister to others?  
*I try to keep my eyes and heart open. If I don't I may be too busy and miss divine appointments. If I am ready in the Lord then I can wait ready and willing to minister.*
5. What is God saying to you about the way He wired you for ministry?  
*Let people share.*
