This Sunday at EVC – 9 a.m. or 10:45 a.m.

We continue to explore the "I AM" declarations of Jesus Christ. Jesus spoke perhaps the most powerful statement He would make just hours after sharing the last supper with His disciples. His words are recorded in John 14:6. I hope you will come hear the message that Jesus declared and how it has meaning and impact for every living person. If you are already a believer and follower of Jesus, then you need to hear this message and accept what Jesus is saying so you can share it with the world. If you are still seeking the truth about Jesus then you need to come and listen and receive this truth from God's Word, so that you might experience the gift of eternal life.
