This Sunday at EVC – 9 a.m. or 10:45 a.m.

The current sermon series is **Issues** from 2 Corinthians. Paul faced tremendous pressures in his life and ministry and did it with victory. This week I want to share with you how Paul faced life with confidence. Self-confidence is a controversial subject. Should we focus on that? Is there a Biblical perspective to self-confidence? If so, what is it? I believe our Bible text this Sunday shows us the proper perspective to self-confidence. We will be looking at 2 Corinthians 5: 1-10. I hope you are planning to attend one of the services this Sunday.
