Saturday and Sunday at EVC

After Peter had denied the Lord 3 times, he probably wondered if he could ever be used again. Peter needed a special touch from Jesus as we all do from time to time. John 21 has been a most helpful passage to many who have experienced the sting of failure in their lives. It's a Scripture passage that takes us back to the ground of our faith and helps us assess where I am and instructs me on how to set my life back in order. I am looking forward to preaching from John 21 this weekend. We will not only see how Jesus restores Peter to ministry but also how Peter's obedience to Jesus brings glory to God. I hope to see you this weekend as we continue our **4G Series - growing in grace; glorifying God.**
