This Weekend at EVC:

Saturday @ 5 p.m. Sunday at 9 & 10:45 a.m.

Break out: A summer sermon series from Exodus 1 - 20.

God created the universe with the capacity for singing. From the animal world to humanity singing is a way of displaying praise and thanks to our Creator. The Bible is full of hymns. None are older than Exodus 15. When the Israelites crossed the Red Sea they spontaneously and enthusiastically praised God with singing. I will be teaching from this ancient and sacred hymn this weekend. Why should we sing to the Lord? How should I sing to the Lord? I'm going to answer those questions this weekend. I hope to see you!
