## This Weekend at EVC:

### Saturday at 5 p.m. / Sunday 9:00 or 10:45 a.m.

The Greek word for disciple literally means a learner; a pupil or one who follows another one's teaching. We use the word discipleship a lot in the church. But what does it really mean to be a disciple of Jesus? I hope you will be here this weekend as Pastor Dennis preaches about “**Jesus' Plan for Discipleship**”. Not only will you learn the biblical definition of discipleship; but also the process of discipleship. Come and worship the Lord this weekend at EVC!

### New Series begins Oct. 1-2. Prepared to Give an Answer.

I've been looking forward to preaching this series for some time. We are going to be dealing with some tough questions that people may ask about our faith. Like: Is the Bible Reliable? Is Jesus the only way to God? If God is good why is there evil? Would a loving God send someone to hell? Not only will I be preaching about these subjects, but our small groups will be centered around these subjects as well. Now is a good time to join a small group if you are not already in one. Small group study guides are available at the church.
