We can count on opposition if we follow Jesus. Things don't always go the way I think they should go. The theme of my message this weekend is **Spiritual Warfare**. We're in a battle and we need to know the victory is ours! Paul deals with this in **1 Thessalonians 3: 1-13**. He mentions that we should **stand firm in the Lord**. What does that mean? How do I do it? I hope you will be here this weekend as we answer these important questions. I'm looking forward to seeing you!
