

My name is Renee Brogdon. My husband and I are fairly new to Evergreen Valley Church. We have been coming since the first of December and loving it.

I am starting a new chapter of an organization called “Threads of Love.”

Threads of Love was started in Louisiana in 1993 when a woman, much like most of us, answered a call to sew premie gowns and internment gowns and provide them to local hospitals.

My husband and I are just starting a small group that is doing a study in the book *Experiencing God*. I went back and was reading the first lesson. It was talking about God talking to Abram (Abraham). He told Abram to take his household and go to a land that He would show him. If I had been Abram I would have wanted to know EXACTLY where I was going, WHEN I would get there, what the weather was like...!

I feel God leading me into this ministry, and I am not exactly sure where it is going. I have hesitated thinking that I need ladies to work with me, hospitals to go to, and will the hospitals want something like this.

I know that God will lead in the right direction at the right time. My first stop is to ask for ladies that are willing to help in this area. I need ladies that can sew, cut, or put items in packages to go to the hospitals. There is a job for anyone that can help. We can even use donations as all the clothing is donated to the hospitals to reach out to families that are hurting and in need. A prayer goes in each package along with our church name and my contact information.

“So, Abram left, as the Lord had told him.” It is time for me to get sewing. I could use a lot of help. If you are interested, please contact me. I would like to hold a meeting sometime in March to get things going.

I can be reached at renee_brogdon@sbcglobal.net or leave a message at 408-225-0891 and I will call you back in the evenings.

I am going to have some samples of the items being made with me at church. Look for me in the back and I can show them to you.
