

For those of us who may not be aware of it, EVC has an awesome group of young people who are an active part of our church. Because the youth meet apart from the general congregation, we often are not connected with them and perhaps don't know who many of them are. This month we thought it would be fun to get to know a few of them and hear what they are interested in. Most of all this gives us an opportunity to pray for our youth.

Name: Heather Heath
